# REPAIR FACILITY

CRP Industries has been selling and servicing Perske Motors for over 30 years. We provide valuable technical support, before and long after the sale. Our team is ready to support all your technical needs.

**Over 40 Years of Experience**  
**State-of-the-Art Facility**  
**Factory Trained Technicians**  
**Genuine Perske Parts**

## *Repair an Existing Motor*

- Trained Technician will inspect, repair, balance, and test your motor
- Disassembly as required
- Provide a written report of required work with a detailed quote and repair upon request

## *Technical Guidance*

- Our customer service representatives, application engineers, and technicians are available to provide you with expertise and advice.

## *Replacement Parts*

- We offer an extensive supply of original Perske replacement parts.

CRP maintains a state-of-the-art repair facility, including a SPX PowerTeam Press, Baker Tester, Schenck Balancing Machine and multiple Inverters. Our shop, equipment and fully stocked spare parts inventory, combined with our factory trained technicians, can offer you the expert service you require. All of our repairs are backed by a **6 month warranty**. Please visit [www.crpperske.com](http://www.crpperske.com) to view our full line of products.
