

High Pressure Thermoplastic and PTFE Hose

Airless Paint Hose

CRP Industrial offers a full line-up of Reinflex airless paint spray hoses with pressures that meet or exceed the pressure requirements of all airless pump manufacturers. Reinflex airless paint spray hoses are specifically designed for the application of paints, solvents, lacquers, foams, caulks, resins, and roof coatings. A comprehensive selection of end fittings are available to meet the requirements of the above-mentioned applications. In addition to our hoses, we also offer a wide range of accessory items including adapters, ball valves, gauges, and in-line hose and gun swivels.

At CRP Industrial, we are committed to providing a hassle-free, one-stop hose and accessory shopping experience for our customers. Contact us today and let us assist you in selecting the best airless paint spray hose for your needs.

Part	ID	Color	Working Pressure
1003AV	1/8"	Blue	3,500 PSI
